

April 2019 SWE Phoenix Newsletter

Hello SWE-sters,

We are the home stretch for SWE: the year for us ends in June, so we are on section elections, year-end events, and starting to see next year coming around the corner!

Did you know? SWE Phoenix turns 55 in June! Yes – the section was chartered in June, 1964. SAVE THE DATE of June 8 for our year-end fun event.

Scholarships: Congratulations to Anna Bartz, Margaret Cook, Kayla Cross, Liz Jones, and Kaci McMillen for your academic achievements and leadership accomplishments! Liz Jones, an electrical engineering sophomore at ASU, is the winner of the Kate Hunter Memorial Scholarship. We thank the Hunter family, and their friends, for their donation in memory of their daughter, Kate Hunter, who passed away while a freshman engineering student at MIT. We were thrilled

to distribute a total of \$7,000 to these students, at ASU, ERAU, and NAU, through our local SWE Phoenix scholarship program.

Section happenings:

- **Elections:** If you are interested in becoming a SWE Phoenix officer, see the information below.
- **New Members:** We welcome 6 new members in March! That's a total of 47 new members since October 1, 2018 and brings us to a total of 259 members in the section.
- **WE'19:** SWE's annual conference is coming to Anaheim in November! Let's hope to see plenty of session presenters from our section. Stay tuned for registration information coming from SWE.

Events: Check out the professional development and other events for April. We finish the month with panel meeting, book club, and a joint event with SWE Tucson.

Hope to see you at one of these activities!
